ANNOUNCEMENTS

REPRESENTATIVE.
MILLER.—We are authorized to announce H. T. V. Miller as a candidate for Representative of Dickson County in the next General Assembly.

Good Advice: People who never look before they leap should refrain from leaping.

Betting is all dead wrong at best, but when you bet on the wrong side it's a howling sin.

Don't rush through life at a break-neck speed. You may stub your toe just in time to fall into the hands of the devil.

Sometimes we stop and wonder if we really have a national election on tap and only a few days off. But let us hope it makes up in quality what it lacks in noise.

We want everybody to vote at this election. It's your duty to vote. The public weal requires you to vote. Your own interests urge you to vote.

Troops are going down to the border, and troops are coming back from the border, and troops are remaining on the border, and we'd like to know what it all means, any way. Now, wouldn't you?

WHAT ARE YOU DOING?

What are you doing for this town? What are you doing to justify your citizenship in this town?

You can not sit down, criticize, let others do the work that makes a town or community, and still call yourself a good citizen.

The good citizen never thinks only of self. He must necessarily think of self or he would not survive, but good citizenship requires more than that—much more.

It requires that you keep in mind that there are others who have rights and are entitled to have those rights respected by others—by you. On the same basis you are entitled to have your rights equally respected by them.

That is good citizenship—partially.

In addition, the good citizen remembers that his town is entitled to his best efforts in its behalf, to the end that the interests of the community may be advanced by all legitimate means.

This means, too, that in advancing the interests you are advancing your own, which is the ultimate aim of the human race.

What, then, are you doing to constitute yourself a good citizen?

STRANGER THAN FICTION

Just why is it that some people always oppose the industrial development of this town and community?

Why is it they use their influence to throttle every scheme that promises for the upbuilding and commercial advancement of the community?

What have they to gain personally through such a course?

One live citizen who has given the subject considerable thought suggests that people who oppose local commercial advancement have a selfish motive at heart. He thinks they fear a loss of personal prestige through the bringing into our midst of new blood and new industrial enterprises. He believes the reactionists can see a possible waning of their power through the introduction of new and up-to-date methods and that rather than retire to the rear they seek to muzzle the growth of the community.

This may or may not be true, but the fact remains that some hidden influence is constantly seeking to retard the commercial and industrial expansion of this town and this community, and it is the duty of every wide-awake citizen to seek a solution to the mystery and put an end to it.

This town should advance with the rest of the state and nation, and to do so we must have the loyal co-operation of all citizens.

The bustling dog always has a full stomach, while the lazy and indifferent one sits when he has an opportunity.

Which class are you?

ANOTHER DICKSON CASE.

It Proves That There's a Way Out for Many Suffering Dickson Folks.

Just another report of a case in Dickson. Another typical case. Kidney ailments relieved in Dickson with Doan's Kidney Pills.

W. H. Parrish, proprietor of livery stable, 81 Main St., Dickson, says: "When I was doing some heavy work on the farm, my back began to ache. Nights, it was stiff and sore and I could hardly do any bending or lifting. If I did stoop over I could scarcely straighten up. I was advised to try Doan's Kidney Pills. I got one box from the Clemons Pharmacy and they helped me. I used another box and before I had taken it all I was cured."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Parrish. Foster-Milburn Co., Peoria, Buffalo, N. Y.

Nothing But the Truth.

Only a few days ago the editor of a paper in Indiana grew tired of being called a liar and announced that he would tell the truth in the future; and the next issue of the paper contained the following items:

John Bonin, the laziest merchant in town, made a trip to Belleville yesterday.

John Coyle, our groceryman, is doing a poor business. His store is dirty and dusty. How can he do so much?

Rev. Sty preached last Sunday night on "Charity." The sermon was punk.

Dove Sonkey died at his home in this place. The doctor gave it out as heart failure. Whiskey killed him.

Married, Miss Sylvan Rhodens and James Collins, last Saturday at the Baptist parsonage. The bride is a very ordinary town girl, who doesn't know anything more about cooking than a jack rabbit, and never helped her mother three days in her life. She is not a beauty by any means, and has a gait like a duck. The groom is an up-to-date folkster. He has been living off the old folks at home all his life, and is not worth shucks. It will be a hard life.

The governor of our great state, a very ordinary man, and who was elected by accident, was here yesterday. He has very few friends here now. He promised some of the voters of this precinct a piece of the pie in the event of his election, but had forgotten all about it when the time rolled around to hand over the little offices.—Exchange.

Such tobacco enjoyment

as you never thought could be is yours to command quick as you buy some Prince Albert and fire-up a pipe or a home-made cigarette!

Prince Albert gives you every tobacco satisfaction your smoke-appetite ever hankered for. That's because it's made by a patented process that cuts out bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that isn't strange, either.

Buy Prince Albert every-where tobacco is sold in tins of 100 cigarettes, 5c; tins of 250, 10c; handsome pound and half-pound tins, humidors—and that corking fine pound crystal-glass humidor with sponge-moistener top that keeps the tobacco fresh always!

Men who think they can't smoke a pipe or roll a cigarette can smoke and will smoke if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!
